

The Queenslander Pictorial.

WITH THE 2ND L.H.F.A. AT GALLIPOLI.

A Trench and its
near Shell Green.

A trench on Walker's Ridge.

A periscope rifle.

"Powers" at
Shell Green.

The "navvy" side of war.

One of Murphy's mules—
the only survivor.

Packing up to leave.

A member in full
excavation rig.

The last sad rites.

Grave of Lord Robinson
of Lismore.

FIELD FOR THE GERMANS BY TRENCH.

THIS GERMANY picture gives the idea of the enormous quantities of munitions required in modern fighting. It represents a French depot for shells for heavy guns captured in the spring of 1915. The number of the Chamber of Deputies for the Department of the Meuse is now selecting the line supply of ammunition to follow the British "V. Division."

THE MERO DE, A.M.C., THIRD AUSTRALIAN DIVISION, CAPTAIN KELLY IN FOREGROUND.
